How to get here

Borgo Lucignanello is located in the heart of the Tuscan countryside. Which is why by far the best way to reach us is by car. You'll find detailed driving instructions below:

TRAVELLING FROM THE SOUTH (ROME)

From the A1 motorway, exit at Valdichiana. Almost immediately after the toll booths, there's a large roundabout. Follow the road in the direction of Bettolle. In the center of Bettolle, take a righthand turn towards Sinalunga. The road will take you through the little town of Guazzino. Once you reach Sinalunga, go straight ahead, at both the first and second roundabout.

Almost immediately after the second roundabout, turn left in the direction of Trequanda. You'll soon come to an overpass and, just beyond it, a stop sign. At the stop sign turn left and then right to Trequanda. Once you reach Trequanda, follow the signs to Montisi and San Giovanni d'Asso.

Having arrived in San Giovanni d'Asso, follow the signs to Torrenieri and, after ca. 3 kms, turn left to LUCIGNANO D'ASSO*. Drive along the dirt track for about 2 kms. At the top of the hill, turn right and, after about ten meters, you'll come across an archway, marking the entrance to the village, and under which you'll find the reception.

The car park is right at the beginning of the village, but you can drive as far as the reception to collect the keys to your apartment and unload your luggage.

** Attention: make sure you don't confuse Lucignano d'Asso with Lucignano (in the province of Arezzo) or Lucignano d'Arbia! If you get into difficulty, call +39 0577 - 803068 or +39 338 5032004.
GPS coordinates: E 11.59220 - N 43.12370 - 61°*

TRAVELLING FROM THE NORTH (FLORENCE)

If you're travelling from Florence center, exit the city via the Porta Romana gate and proceed in the direction of Firenze Impruneta, from where you can pick up the 4 lane freeway (superstrada) to Siena.

If, on the other hand, you're travelling from the North on the A1 motorway, exit at Firenze Impruneta and pick up the freeway (superstrada) to Siena from here. Exit the freeway at Siena Sud and take the Cassia or S.S. /S.R.2 road towards Rome and Montalcino.

Exit at Torrenieri and, when you get to the stop sign in the center of town, turn left in the direction of San Giovanni d'Asso. After about 5kms, turn right towards LUCIGNANO D'ASSO*. Drive along the dirt track for about 2 kms. At the top of the hill, turn right and, after about ten meters, you'll come across an archway which marks the entrance to the village and under which you'll find the reception.

The car park is situated right at the beginning of the village, but you can drive as far as the blue doored reception to collect the keys to your apartment and unload your luggage.

** Attention: make sure you don't confuse Lucignano d'Asso with Lucignano (in the province of Arezzo) or Lucignano d'Arbia! If you get into difficulty, call +39 0577 - 803068 or +39 338 5032004.
GPS coordinates: E 11.59220 - N 43.12370 - 61°*

You can park your vehicle in the courtyard. The reception is under the first arch.
